Our adoption fee is \$150 for males and \$200 for females. This includes a \$50 deposit once approved to adopt. All kittens come de-wormed, current on flea prevention, tested for FIV and FELV, and with first and second distemper vaccine. Your adoption fee includes this vetting AND an appointment for a spay/neuter, microchip, distemper and rabies. Your kitten/cat will ALSO NEED, a wellness check at your vet between these two appointments. This wellness appointment is at your cost. Adult felines have first year of vet care completed including spay/neuter.

Your cat will continue at minimum to need yearly exams to update vaccines and ensure good health.

Are you committed to scheduling and being compliant with these needs? _____
